Hello Folks,

You expressed interest in, or kindly supported, the **Roxwell Classic Car Meet and Run** in the past. This year's run was in some doubt for obvious reasons, but we now think we can put on a scaled down version, but moved on to **Sunday 26th July**, by when we hope things will be a little clearer.

For the moment we think there will be a rolling start through the village, an interesting route ending with a 'bring your own picnic' in a meadow in Roxwell which has a pleasant aspect.

More details later, but for now **note the date please**.

With kind regards

D. Ralph Metson
