

07/06/2020

Hello Folks

- Well, **yesterday should have been RoxFest**, the biggest thing to hit the village in decades, so I am pleased for the organisers that the weather was grotty - so they should have a bigger chance of a nice day for the 2021 event which is already being planned.
- The final public consultation period for the **planned 800 houses north of the A1060** on what is popularly known as the sunflower field is now open until 3rd July. This is the City Council site for viewing the details: [www.chelmsford.gov.uk/planningonline](http://www.chelmsford.gov.uk/planningonline) (ref 18/00001/MAS) Put the ref no in as a keyword and prepare to be patient. User-friendly it is not.
- Some information on how Chelmsford is going to be **more user-friendly for walkers and cyclists under the new normal** can be gained from the attached notice. It has come via local county councillor John Aldridge who can be contacted here:  
**Cllr. John Aldridge**  
  
**Member for Broomfield & Writtle**  
  
**Tel: 07827 976997**
