

Hello Classic Car fans.

Thank you to those of you who have already entered, but for the remainder this is possibly the last call for entries for our Charity run on Sunday 26th July. We already have over 30 entries and think we need to restrict to around 50+ for our drive-in picnic at the end – not least because of the loo situation! We have a basic flushing toilet on the farm with hot water sink, soap, sanitiser and paper towels and will also be hiring a portaloos to cope with any ‘flush’! Both will be sanitised, but fellas may well prefer to check out our well grown hedges anyway.

I have been round the draft circular tour that David Anderson and son have thoughtfully prepared, which is about 50 miles long and includes a couple of roads that I have never been on before despite driving around here since Adam was a boy. There will also be a few optional quiz questions just for fun and we will end with a drive in picnic in our meadow for those comfortable to do so. Those entering will get another email a couple of days in advance with joining instructions etc.

So, I know several people intend to come but seem to have run out of ‘round toits’. If that includes you and you would like to join us – the current weather forecast is fine and settled – please follow the instructions on the attached flyer and get your entry in asap. We cannot take unlimited numbers this year because of Covid 19 problems, but would hate to exclude you!

With kind regards

D. Ralph Metson
